

Cost of Living Support

A public information leaflet from Cumbria County Council.

A message from **Patricia Bell, Cumbria's Cabinet Member for Health and Care Services.**

"With the cost of living on the rise, I urge anyone in Cumbria who is struggling, whether that's emotionally, financially or just because you need practical help, to get in touch and seek support.

"It can be daunting to search through what is on offer and to find what you need. This booklet provides local information for Cumbrian residents on a range of helpful topics.

"You might feel worried or find yourself in a position you have never experienced before, but please don't wait for problems to get worse, there are many local organisations that can help."

Councillor Patricia Bell
