PREVIOUS MONTHS DETAILS

Full Graves Purchased	
Ashes Graves Purchased	3
Full Body Interments	1
Ashes Interments	
Memorial Permits Issued	1
Memorial Mason Registrations	
Transfers Completed	
Prepayments	
Duplicate Deeds Issued	

CURRENT POSITION

- All areas operational as required.

POINTS FOR ACTION

- Proposed fees sent for next financial year – they continue in line with W&F fees to reflect a similar level of service.
- Revised and simplified Notice of Interment circulated for approval. This is in line with W&F and is based on good practice. It collects all statutory information needed and replaces a 5 page version which Funeral Directors and families found confusing.
- Moles – following the last meeting I spoke with a pest contractor who has worked for the council before. HE has agreed in principle to come and attempt to deal with the moles - it is £100 per visit but he is unable to tell us how many visits it would take and how successful this would be short or long term due to transient nature of moles.
