

Cemetery Report for September 2021

There has been

1 grave purchase

1 interment

3 memorial permits issued

Receipts for August totalled £877

The Chapel windows were cleaned inside and out at a cost of £50 no vat

The building was cleaned through inside at a cost of £195 no vat

When the windows were cleaned it became evident that there was fogging in 2 of the panes in the window facing the carpark and flaking of paint was found on one frame. WWwindows who installed the windows 3 years ago have been and photographed the problems, the company is contacting the manufacturers and will be in contact in due course.

There are 10 graves which need lifting and levelling, 9 were identified whilst the grounds were being mown and a relative made a complaint about their parents grave. The Cemetery Officer has checked the graves and can confirm that they need repairing this autumn.

The cost will be £25 per grave using existing soil being stored in the quarry area. Quote totals £250 with no vat.
